Steps to figure out how many suggested hours per week your student employee is eligible for:

Part 1:

	Example	Your Student Employee
Take individuals budgeted amount	\$1800.00	
Figure hourly rate from Orange Card	\$7.25	
Is the student eligible for \$.25 return bonus? If unsure, look on your Orange Card.	No (If so, add bonus \$.25 to hourly rate)	

Part 2:

	Example	Your Student Employee
Figure budgeted amount per semester	$1800/2 = \$900.00$	
Figure how many hours they can work per semester	$900/7.25 = 124.1379$ hrs	
Figure hours per week	$124.1379/\#$ of weeks individual plans to work
