### **Rodney Hamilton** *Head Coach*

Rodney Hamilton is in his third year as the head women's basketball coach at Indiana Tech.

In his second year, Hamilton guided the Warriors to a 16-win season in which they were very tough to beat at home, posting an 11-4 record during the regular season in the Schaefer Center. The 16 wins are tied for the most in a single season since 2005. Among those wins were victories over two Top 25 opponents, the No.5 and No.14-ranked teams in the country. The 2010-11 season was also the first time since 2005 that Tech finished in the top half of the Wolverine-Hoosier Athletic Conference. The Warriors finished 4th with a record of 8-8 in conference play and were able to host the first round of the conference tournament. Four team members earned the 2011 Daktronics-NAIA Scholar-Athletes award, and eight athletes made the All-WHAC Academic team in the 2010-2011 season. The Lady Warriors finished the 2010-2011 season with a team GPA of 3.33.

Hamilton came to Fort Wayne after serving two seasons as an assistant men's basketball coach at Southeast Missouri State University, a NCAA Division I program in the Ohio Valley Conference. Hamilton's primary duties as an assistant coach included those of recruiting coordinator. He assured policy compliance for the NCAA and scheduled exhibitions, games, and tournaments for the program. He was involved in on-court player development, managed film exchange procedures in compliance with the OVC conference rule and regulations, and was involved in film breakdown for scouting and game strategies. Hamilton implemented community service projects for men's basketball and served as the team academic liaison.

Before SEMO, Hamilton was part of the first coaching staff at Crichton College in 2005 when the Comets joined the NAIA TranSouth Conference. During his first season at Crichton College, the men's basketball team enjoyed a 15-game turnaround from the previous season. The 2006-07 Crichton College team made the NAIA Division I National Tournament and advanced to the NAIA Elite Eight after winning the TranSouth Conference regular season and tournament championships. At Crichton, Hamilton was also the inaugural head coach of the women's cross country team that began competing in the 2006-07 season and placed 2nd in the TranSouth Conference.

Hamilton began his coaching career as the head boys' basketball coach, head girls' track coach and cross country coach at Westside High School in his hometown of Memphis, Tenn., in 2001. He spent four years leading the Wildcats in the 15AA Memphis City Schools District and led Westside High School to the Regional 8 AA tournament.

Prior to his nine seasons as a basketball coach he played professionally for three seasons. In 1998 he participated in the Atlanta Hawks Free Agent Training Camp. He went on to play in Sweden, Switzerland, and Hungary. In his first year in Sweden he took the Alvik Stockholm Team to the finals in the playoffs. He was selected as one of the Top 5 Import Players and Guard of the Year and also led Alvik to its first Swedish-Finnish Championship.

Hamilton played collegiately at Georgia State University in Atlanta. Hamilton holds the university's records for scoring (1,515 points), free throw percentage (.838), assists (535), steals (212), and games started (105). He was a two-time All-Atlantic Sun Conference selection, earning first team and ASC All-Tournament honors in 1998. He was named second team All-ASC in 1997 and garnered Academic All-ASC both years. Hamilton was the first GSU player to have his jersey number retired. He was honored by the CAA (Colonial Athletic Association) in 2007 as a CAA Legend.

Hamilton earned a Bachelor of Business Administration in Management from Georgia State University in 1998, and Master of Arts in Teaching from Christian Brothers University in 2003.

Hamilton and his wife, Tamara, are the parents of two daughters, Bailey Madison and Brooke McKenzie.

**Lesley Williams**  
*Undergraduate Assistant Coach*

During her career as a Lady Warrior, Williams was named 2010 WHAC Champion of Character award and voted by her teammates for two consecutive years winning the Team Spirit Award during 2010 and 2011.

Williams played for Coach Hamilton her last 2 years. "Lesley was a pleasure to have as a player and will be an asset to our program in helping the current players and new additions. She was known for being that positive voice in practice, during games on the court or bench, in the huddles, and in the locker room. We will need that even more this year as she begins helping on the sidelines." Hamilton said.

With her outgoing personality, understanding of the game, and the knowledge she has learned over the last couple of years, Lesley will be able to help the Indiana Tech women's basketball program continue to move in the right direction.

Williams received her Bachelor's Degree in Elementary Education on May 14th, 2011 and will be student teaching in the fall of 2011.

**Leslie O'Dell**

She was a very versatile player during her basketball career with her outside shooting abilities and inside game. She has a tremendous amount of basketball knowledge and understanding of the game, making her a vital asset to the program. Hamilton said, "Leslie is an extremely hard working and dedicated student athlete. She represents the meaning of student athlete to the fullest. I fill she will help the returning and new additions in that facet of our program by helping them understand the balance of hard work and dedication on the court and in the classroom."

O'Dell received her Bachelor's Degree in Industrial Manufacturing Engineering on May 14th 2011. She will be completing her senior project for the industrial manufacturing engineering department during the fall of 2011.
