### **Ed Karasek** *Head Coach*

Coach Karasek recruited and established the inaugural Women's Varsity Lacrosse team at Indiana Tech during 2009. The team began playing as an all-freshman team in the Spring of 2010. The young team finished with a respectable record of 14-7. Coach Karasek says "We surprised a lot of our opponents with such young talent. Nearly every win was an upset."

After joining the National Women's Lacrosse League (NWLL) in 2011, Karasek guided the Warriors to the league's first ever NWLL Tournament Championship and finished with an impressive 18-4 overall season record.

In the summer of 2011, four Tech players traveled to Europe to play for the USA AI National Team. The team competed in the Berlin Open International Lacrosse Tournament on June 17-19, 2011. This is the biggest and most traditional lacrosse tournament in Europe. The USA AI team placed second.

At the end of the Fall Semester, 2011, the women's varsity lacrosse team had an average GPA of 3.30 with twelve players carrying a GPA of 3.50 or higher. This supports Coach's philosophy which emphasizes high academics.

Karasek has a Bachelor of Science in Business Administration from Bowling Green State University, Bowling Green, Ohio, and an MBA from Northern Illinois University in DeKalb, Illinois. Coach Karasek played varsity lacrosse at B.G.S.U. under the legendary soccer/lacrosse coach, Mickey Cochrane.

"My plan is to have a positive impact on each player, understanding that academics are most important and enhances team play. Athletics and sportsmanship, however, will build the individual's overall character, level of confidence, fitness and personal identity. Together we will build a winning tradition in Women's Lacrosse at Indiana Tech."

### **Jill Claus** *Assistant Coach*

Coach Claus begins her third year as an assistant coach with the Warriors. Claus graduated from Indiana University with a Bachelor of Science in Political Science and a minor in Psychology.

Being an excellent athlete herself, Coach Claus currently holds a Level 2 Coaching Certification in women's lacrosse. She is a practicing umpire who is qualified to referee women's lacrosse at the collegiate level. Claus, being a women's lacrosse umpire, brings a keen understanding of the rules to the team, which is a serious advantage.

Among other attributes, Claus identifies individual talent and determines which players have good chemistry, as well as counseling and advising regarding any personal player needs.
