## Sponsor's Affidavit of Financial Support

### Important Information for Sponsors

By completing this form, you certify to Indiana Tech and the U.S. government that you are able and willing to provide the stated amount of money needed each year for this student's studies in the United States. The assumption is also made that you understand the real cost of supporting the student's expenses while living and studying at Indiana Tech. Sponsors who fail to meet the stated commitment effect the student's education and legal status in the United States. This form must be completed and signed by all who are assisting financially with the student's education. If necessary, this page can be copied.

### Instructions for sponsors who are completing the affidavit

3. Sign the affidavit before a notary in the United States or other licensed official in your country. The notary or official must sign and officially seal the affidavit.

5. All documents, including the supporting documents, must be in (or officially translated into) English.

### Documentary evidence of financial support

1. Documentary evidence of financial support can consist of:

A letter from the bank manager is acceptable if it lists the account number, account balance, and date the account was opened. A letter stating "sufficient funds" or "account in good standing" is not acceptable evidence.
  - b. Letter (on company letterhead) from sponsor's employer listing the salary of sponsor(s).
