# Warrior Volleyball

## Head Coach Kirsta Solberg

Head Coach Kirsta Solberg was named the WHAC Coach of the Year in 2008. In her 2nd year as head coach and in the Lady Warriors fourth season of play, she helped lead the team to a 33-5 record and their first ever regular season Conference Title. The Warriors also made their first appearance in the National Tournament and were ranked at a program history high of 15th in

country. Two Warriors were named to the All-American Honorable Mention Team. Solberg is a graduate of IPFW where she played for 4 years and helped

lead the team to a Independent National Title in 2002. Solberg also played professionally in Copenhagen, Denmark for Holte IF in 2005-2006.

With the huge success that the Indiana Tech Warriors Volleyball Program had in 2008, they would like to invite all volleyball players ranging from 5th—12th grade to join us for our team camp this summer!

Instruction will be by college volleyball coaches and college volleyball players.

There will be a skills camp for our 5th—8th graders and a position camp for our 9th—12th graders. Each camp will focus on skill development for the first 3 days helping shape and tune each player to be ready to compete in their fall season. The last day the campers will put their skills to use in match play as we have a camp wide tournament.
