

INDIANATECH

College of Professional Studies

Notice of Change of Curriculum

You may add a concentration or minor with no fee. All other changes will be a \$10 charge to your student account. If you are planning to change degrees you will be moved into the current catalog.

If you have transfer credit it will be re-evaluated with every change that you make. You may check these changes at my.indianatech.

Please make sure to complete all of the appropriate areas below.
