

## Associate Degree Business Administration – Health Care

## Bachelor’s Degree Business Administration – Health Care

### Program Overview

Earning an associate degree in the business administration program at Ivy Tech Community College gives you an excellent start toward a bachelor’s degree at Indiana Tech. Through a partnership between the two institutions, you can progress smoothly from one program to the next.

The Ivy Tech associate degree will prepare you for entry-level jobs and help you start a career in the thriving health care industry. The bachelor’s degree program at Indiana Tech allows you to build on your Ivy Tech associate degree with more advanced study of health care administration. Almost all of your courses will be accepted for transfer credit and fulfill requirements toward a bachelor’s degree in business administration with a concentration in health care administration.

As a graduate of the bachelor’s degree program you will be prepared to be a manager within the health care industry. You also will be prepared to pursue an MBA with a health care management concentration to expand your career opportunities even further.

On the other side of this information sheet, you will see an overview of how your Ivy Tech credits will transfer into the Indiana Tech bachelor’s degree program.

For more information about Indiana Tech’s business administration programs, contact an admissions representative at a location near you.
